GENT's Bounty Of Busty Beauties Hard To Beat

DEAR GENT:

If a reader gets turned on by a gorgeous pair of long and shapely legs, Charisma is sure to get his attention. If he also enjoys sweet chunky cheeks, then Charisma's curvy and densely packed ass will raise a big stiff cock. If he likes immense, natural and firm tits, Charisma should make his stiff cock throb. Even more, if he likes those "massive melons" bullet shaped, each capped with dark and puffy haloes, Charisma will literally blow his socks off!

My compliments to GENT. It is the first time I've seen a photo spread of Charisma showing all her assets. This mainstream queen of "legs, tits and ass" is a winner! They don't "cum" any better than this dark-skinned beauty.

For my taste, the hottest layout belongs to full-bodied Kanya and her mega-teats. The full length photo of her leaning forward with her foot on the bed is dynamite! Very shapely legs and a gorgeous face. Her huge dark and juicy nipples and areolae are complemented by more than ample breasts. Love those deep eyes and delicious skin texture. She is one hot model!

I can't leave without commenting on the extraordinary body of your "Candidly Yours" beauty Nicole Anderson. She has an incredibly trim and firm body, including a spectacular set of jugs. She could easily compete with most of your models. — Dan T., Colorado

Charisma's Many Charms Capture Reader's Attention

DEAR GENT:

Here are some comments on your Oct. issue that I hope you will find useful.

The first girl to really stir a

CHARISMA: her lovely ass, legs and pussy stirred reader's loins

response in my loins was Charisma on page 31. The opening profile shot in which she is displaying her big hanging tits is great. The way her tits are divided by the strip of vinyl really sets them off nicely on page 32. I also appreciate the shot on page 33 in which she shows us her ass. Her right tit looks very nice in this pose. She also has a lovely ass and legs. I liked the shot on page 35 of her displaying her cunt and ass, but the shot doesn't do justice to her magnificent figure. I hope to see Charisma again soon.

Shannon is a lovely girl-next-door-type blonde. I loved the bra shot on page 44. Also, I liked the photo on page 45 and the upper photo on page 46. The latter shot really gives the viewer a good idea of how much a lady's tits really hang and sag. This is one of my

favorite types of shots and her tits are my favorite type of tits. The entire layout is well-done with excellent natural poses by Shannon. I'm glad she is just letting her tits hang naturally in these photos. I get tired of the models holding and pulling on their tits. I hope you bring Shannon back for more.

Kanya is also a lovely, natural beauty with lovely, natural tits. Of course I loved her large nipples. They look very suckable. Nice shot on page 61. She also has a lovely cunt. It looks as though the hair is growing back in after being shaved. Am I right? Please bring her back again.

Emily is a smoldering beauty. With her dark hair against her creamy white skin, she is a real seductress. That red bra in the two opening shots adds to the excitement for me because I have a real thing for ample tits in well-fitted bras. There were plenty of nice ass and pussy shots on pages 82-85. I'll be glad to see Emily again anytime.

The three poker-playing ladies in the last layout are all lovely too. I would have liked more bra shots and more pussy shots, though.

Keep up the good work. — Name withheld, California

Susie's Enormous Talents Deserve To Be In The Spotlight

DEAR GENT:

Now you've done it! I've been a reader of GENT since the mid '70s. While your magazine is without question the finest big tit publication ever to hit the market, I've never had cause to write. You've shown us the widest variety of women and I'm eternally grateful. Now, thanks to you, I'm also in love.

Your Oct. pictorial on Susie was awe-inspiring. I consider myself a normal 30-year-old male. I masturbate about once or twice a week, but now I can't seem to quit

SUSIE: her beautiful face, tan body and tits are a privilege to behold

thanks to Susie. I've purchased three different copies of the same issue just so I won't wear out her picture. She's the most beautiful, sensual woman I've had the pleasure of viewing naked in my life. I have a copy of GENT at home, at the office and in my car. I've even jerked off over this beauty in an automatic car wash!

Susie's beautiful face, tan body and tits are a privilege to behold. I've purchased several videos from the GENT library and would gladly pay double the price of your costliest video to get a peek of this goddess in action!

I beg you to realize Susie's enormous potential and to show her on a regular basis. Thank you so much for letting us see this beautiful temptress.

One last request. Could we see a pictorial on Becky LeBeau? She sure fits the GENT mold. — L.C., Ohio

Pandora Looks Great, But What About Those Clothes?

DEAR GENT:

Your layout of Chessie Moore in the Sept. issue is the best so far of this well-built beauty. Her long hair is sexy, her beautiful poses hit the mark and her body is excellent.

Pandora Peaks is a beautiful woman and I have enjoyed her many appearances in GENT, but

this last layout left something to be desired. Her outfit was awful, the hat was revolting, the bow tie made her look like a man and overall the layout was just too artsy for me. Women should wear women's clothes. Please, no more unisex layouts. — Brad D., California

Reader: GENT Deserves A Hand For Masturbation Segment

DEAR GENT:

As a prolific masturbator and long-time advocate of masturbation and adult entertainment, I applaud your pronouncement that "Ident-i-Tit" will be replaced with a column on reader's favorite masturbation scenarios.

I have been masturbating for more years than I like to remember and have always felt that if more was written on the subject, maybe it would be recognized for what it is — a natural function of the human body harmful to no one and one of the best forms of safe sex.

While masturbation will never be a dinner table subject, it should not be looked upon as sinful, dirty or perverted. I find nothing obscene or disgusting in someone looking at pornography and masturbating, especially if that person is alone and there is no one to offend.

Keep the subject of masturbation prominent in each issue of GENT and maybe the taboo will disappear. In the meantime, I'll keep enjoying GENT and my favorite pastime. — B.D., Arlington, Virginia

Dear B.D.: Glad you like the idea for the new section. Since you're such a masturbation aficionado, why don't you send us a story?

You Can Have Your Mountains, But Don't Take Away Miss Bush

DEAR GENT:

I have been buying your magazine regularly for over two years now. This is the first time I have ever written to any publication. I enjoy your magazine very much.

Gent

When I picked up the Oct. GENT and saw Miss Bush in "Candidly Yours," I creamed my jeans. I love hairy women and she has to be the hairiest woman I have ever seen. I hope you do a layout on her and soon! – K.L., Florida

Reader's Tip: More Big Nips

DEAR GENT:

I must compliment you on your find of Kanya in the Oct. issue. Why? Because she has a pair of the biggest, most superb nipples I've ever seen.

The only other girl I've seen in your publication with nipples as big as hers is Karen Kane. I would love to see either one of these girls in a future issue. Girls like this do not grow on trees, but the more of them you feature in your magazine, the more it will please your readers.

Maybe you could do a special pictorial of these type of girls in your "Editor's Notebook" every once in a while. Or better yet, how about a sister magazine dedicated to nipples. You could use "Home of the big nips" as your slogan. – J.D., Arizona

Dear J.D.: So, you say you want to see more of Karen Kane, huh? Well, just turn to page 58 and get your first look at her in more than a year.

Models Get Better With Age

DEAR GENT:

I would like to compliment you on having the best men's publication. I've been a loyal reader for four years and have seen some outstanding photography. My hat is off to you.

I got my Oct. issue and was reading the section on older women when an idea came to me. What if GENT put out a special issue on mature women like Patty Plenty and LuLu Devine? I think it would be a hot selling item. Please consider it. Even if it doesn't get off the ground, could you please feature some of those older women soon. – M.H., Pennsylvania

Dear M.H.: We're always

PATTY: a mature titter who reader would love to see again

considering ideas for special publications, and your suggestion is a good one. As a big LuLu Devine fan, we're sure you enjoyed seeing her on our giant 1993 poster/calendar that was included with the Dec. '92 issue. If by some chance you missed it, all you have to do is send us a check or money order (U.S. funds only) for \$2.50 to receive it. Also, keep on the lookout for both LuLu and Patty in new layouts real soon.

Kanya's Cleavage Is Incredible

DEAR GENT:

My compliments to Tim Hammill. Kanya is a fantastic discovery! Her large, dark haloes and award-winning, immense teats are absolutely fascinating! Her juicy and succulent nipples are supplemented by her soft squeezable breasts and the total package is a cock-throbbing combination!

This full-bodied beauty has so much more to offer beyond her heavily nipped, supple hangers. Shapely calves, an exquisite skin color and texture and a gorgeous face are just a few of her other attributes. Kanya also looked very comfortable (as well as very sexy) in front of a camera. She clearly demonstrates that you don't need a 40DD bust size to be the temptress of the issue.

KANYA: a cock-throbbing combo of succulent nips and soft breasts

Susie was great. I can't recall seeing a plumper with such densely packed gigantic tits. When some of the other plumpers with heavy hangers lie on their backs (i.e. Roberta Smallwood), their fluid breasts flatten out and spread over the arms. Susie's firm tits form two enormous mounds, with nipples pointing upward. She's got the biggest set of natural jugs since Susie Sparks went into semi-retirement!

I knew Charisma had one of the best sets of natural tits in mainstream porn and since Chessie Moore has had a boob job, Charisma may also lay claim to the largest natural tits. I also loved her luscious full lips and beckoning brown eyes. What I didn't know until I saw the GENT layout is that she had such gorgeous legs and an exceptionally sumptuous ass! Thanks for the full length coverage. Charisma has an outrageous set of firm bullets, but obviously there is much more to this porn star. – Ken R., Denver, Colorado

FISTED FANTASIES

STORY BY MICHAEL BONITA

In this reader's masturbation fantasy, a gorgeous, big-boobed neighbor pays a visit to a new tenant and gives him a welcome he'll never forget.

I had just moved into a small studio apartment and was putting my things in order. While arranging the apartment, I got a visitor from a couple of doors down the hallway. Upon receiving my visitor I was stopped in the doorway by the beautiful big-breasted vision

before me. Lost for words for a minute, I finally got a grip and introduced myself and invited her into the apartment.

Being a friendly neighbor, she had just stopped by to see how I was getting along and if I needed anything. I thought I had seen this woman somewhere before, but I shook it off as just a natural feeling when you see someone who looks like someone else.

She came into the living room and, as I was looking her over, I noticed that something had caught her attention. In all the unpacking I had left several of my adult magazines laying around. I noticed a smile slowly creep across her lips, but I just thought she was amused that she had caught me.

We talked and proceeded to get to know each other a little better. The day was hot and the apartment was even hotter so I offered her a cool drink. I was also getting a little warm, but it wasn't because of the temperature. I could feel the heat in my cock building and I didn't try to hide the bulge.

As she sipped her drink, we started to chat. The conversation started with the magazines and shifted into sex. That's when the sweat really started to pour. Her big tits were sticking to her T-shirt

and the wetness made her rock-hard nipples very noticeable.

As the sweat gave me a better view of her body, I began opening and closing my legs. (It's a type of masturbation that I learned years ago.) Lo and behold, my new neighbor started doing the same thing. We both looked at each other with a small amount of surprise and then smiled. I told her that I was so horny that I couldn't stand it and asked her if she would excuse me while I went to relieve myself.

"Go right ahead," she said.

I struggled to get up and headed for the bathroom. I made it to the toilet, pulled down my pants and started to give my aching prick a helping hand.

As I turned to get my pants away from my ankles and sit down, I caught a glimpse of my beautiful friend stretched out on the couch with her hand shoved down her shorts.

I started to pull my pud even faster. It was already dripping with pre-cum, but I grabbed the head and twisted ever so slightly for that added bit of pleasure. I kept this up for about five minutes as I watched the lovely brunette fingering herself through her shorts. I could hear small squeaks and gasps coming from the other room and my excitement grew.

I gently nudged the door of the bathroom so that the view of the living room expanded. I moved the

"Watching her slurp her juices, I knew I would erupt..."

door just enough to get a perfect view of this beauty lying on the bed massaging her tit and pulling her nipple with one hand while the other hand furiously slid back and forth over the fabric of her shorts.

"Take off your pants," I blurted out through the crack in the door. "I want to see you playing with your pussy!"

Without missing a beat, she said sure and slid out of her clothes. Before she got her shorts down around her ankles, I was drooling over the sight of her sweaty thighs and pouty wet cunt lips. I wanted to cum, but I forced myself to hold off.

She slowly ran her fingers along the length of her pussy lips, allowing her fingers to dip deeper into her honey pot each time.

Suddenly, she asked me to describe what I was doing. I told her how my cock was hard and dripping and that my hand was slippery as I stroked my cock and watched her play with her pussy. She told me to talk dirty to her as I continued to beat off. I told her to just rub her pussy back and forth and think of my tongue doing the same thing.

"That's it, baby. It feels so good. Stick your finger deep into your pussy and wiggle it around," I said, watching her hips buck and her ass tighten as she stuck two fingers into her hole.

"Hey beautiful, does that feel good? Now put your fingers in your mouth and lick off all that pussy juice."

As she brought her fingers to her cherry red lips and started to slurp her own juices, I knew it wasn't going to be long before I erupted. As she licked her fingers, I could hear her say, "Make me nasty! I want to be your dirty whore."

"Suck your nipple into your mouth and make it hard," I said.

As she was sucking on her nipple, I told her my cock was swelling and I wanted to cum.

"Do you want me to shoot it?" I asked.

"Shoot it! Please let me see you shoot your wad,," she said.

"Did your pussy taste good baby? Pull them lips apart, baby, so I can see you fucking yourself. I love the way your tits jiggle and bounce with the motion of your strokes."

This went on for a good hour, both of us moaning and teasing each other. I had to stop and squeeze my cock several times to keep from losing my load.

When I didn't think I could take any more, I got up off the toilet and walked into the living room without making a sound. My cock still in my hand, I stood over her and watched a few minutes.

Finally, she noticed me as I slipped on the couch in front of

her between her legs. I leaned back so she could watch me stroke my cock as she worked her fingers. I told her to roll over on her stomach and spread her legs. As she did this, I positioned my legs underneath hers and scooted myself up so that the head of my cock was only inches away from her pussy lips.

I told her not to say anything but to close her eyes and envision me behind her enjoying her pleasures.

After a few minutes, I could see she was going to cum and so was I. I pumped harder as I saw her push her fingers as deep as they would go. I reached over with my other hand and started pulling on her clit. She moaned and bucked as I stroked harder.

I aimed my cock at her pussy and started shaking the cum between her lips as it came spurting out. As my jizz spurted out, she was writhing in ecstasy.

When I came back to my senses a few minutes later I was still flushed, had a view of her sweet pussy in front of me and a big smile on my face.

We showered and she left. I lounged around the house the rest of the day, reliving this episode over and over again. It's not too surprising that my cock started growing again when I thought about my new neighbor.

I picked up a back issue of GENT and started to flip through the pages. I stopped in my tracks when I came across a beautiful lady who was a dead ringer for my neighbor. The model's name? Devon Daniels!

G

If you have a fantasy you'd like to share, send it to Reader Contest, 2600 Douglas Rd., Suite 600, Coral Gables, FL 33134. The story should run about 750 words and be about some masturbatory episode, either real or imagined. We prefer you base your story on a model you've seen in GENT in the last year or so, but we'll also consider pieces that discuss your favorite masturbatory techniques, settings or anything else that has to do with masturbation. If we publish your story we'll pay you \$100. Always include your name, address, phone number, desired byline and SASE.

THE BOOB

REVIEWS BY
PAT BROOKS

A Round-Up Of The Year's Top Videos

As 1992 winds to a close, it's time to take a look back at some of the top videos from the past year, including a few that could become even more popular in '93. This year's best of "The Boob Tube" includes twelve of the hottest and best sellers at GENT. So, if you missed the original reviews, this will give you a chance to check out the "cream" of the crop.

Let's begin with **The Plumpers Of Sundance Spa**, GENT's number one best seller. This 80-minute video (on our top 12 for 1991) is more popular than ever. It's also the sequel to *Hardcore Plumpers* (our number three pick) and stars Roberta Smallwood, Melanie Anton, Liz and British beauties Tanya Marie and Justine. The story line basically revolves around several full-figured girls who decide to get into shape by signing up for a week of exercise at the Sundance Spa in Palm Springs. Although they don't train that much, they still manage to get quite a heated workout, if you know what I mean.

Roberta Smallwood is the star of this video and does a scene with Don Fernando that is hot enough to melt lead. While Don's busily devouring Roberta's tingling twat, her breasts lie splayed like two mounds of rising dough.

Later, when Don rams his throbbing prick up her tight cunt, Roberta's gargantuan globes bounce uncontrollably until finally they come to rest on either side of her rib cage, just under her arms. The awesome sight of Roberta's immense breasts wobbling and

jiggling gives new meaning to the word "undulate." That's just some of the arousing tittiful action I'm sure you'll get off on.

Big Top Video gave us the year's second hottest selling video with a tit tale entitled **The Duke Of Knockers**. This video, originally reviewed in Dec. of '91, tells the story of a lonely duke who is looking for a companion.

When the duke has his secretary, played by Nillis Willis, put an ad in an American newspaper soliciting big-breasted women for possible marriage, Kayla Kleevage, Justa Dream and Leean Lovelace rush to his mansion hoping to become the Duchess of Knockers. As you watch

them parade around the English manor in all states of undress, you might think that the duke should consider forming a harem rather than limit himself to just one of these monster-titted beauties.

I liked this video for several reasons. Not only was the big-tit action entertaining and arousing, but the pastoral country setting and old British manor gave the proceedings a touch of class. I'm sure you'll want to add **The Duke Of Knockers** to your collection.

Speaking of collections, if you are a plumper lover, our number three pick, **Hardcore Plumpers**, is a must for yours. Former "CY" gals Roberta Smallwood, Fawn Miller

Roberta Smallwood's hot fuck scene is one of the highlights of the year's top seller, "Plumpers Of Sundance Spa."

Kayla Kleeavage (l) and Justa Dream erotically share a banana – the ultimate phallic fruit – in "Duke of Knockers."

and Melanie Anton star. This 80-minute video showcases these cute plumpers fucking on video for the first time with porn veterans Trinity Loren, Shane Hunter and Don Fernando.

Roberta Smallwood's hardcore performance seemed slightly stilted because of a case of the nerves. But don't let that deter you. Her 54-inch hangers get plenty of attention throughout this superb video.

Melanie Anton performs like a wild animal when she's paired with Don Fernando. The chemistry between these two is unmistakable. Melanie is so turned on by their interlude that her pussy juices flow like Niagara Falls. The splendid hardcore debuts of Melanie and Fawn both make up for Roberta's reticence.

Speaking of Roberta Smallwood, how'd ya like to watch this former "Candidly Yours" favorite in 60 full minutes of her own video? The folks at Today's Art have put together two videos, one featuring Roberta and another that stars Darlene Lupone. Both of these videos have been such hot items that they share the number four spot in our picks.

In **Roberta Smallwood**, we are given a good look at every wonderful inch of this titanic titter. She is larger and her hair is longer and auburn, not blonde. There's no mistaking her monstrous mams

though.

Roberta is reunited with Melanie Anton in her video and these two prove they are hotter than ever. The girls decide to play a game of volleyball. Watching these large ladies jump up and down as they bat the ball back and forth while making their own volleyballs jiggle is an alluring sight. The fun continues as the girls oil their bodies and start playing with dildos.

In **Dynamite Darlene**, Darlene is featured in three vignettes. The first one showcases her doing a voice-over as she awakens and stretches. Watching her stretch in bed and then massage her magnificent 45HH breasts while listening to her tale of how she gave head to one guy while her boyfriend watched is enough to make your cock stand at attention.

You'll definitely want to exercise some control when watching because, although these videos are not X-rated, they're the hottest R-rated videos you'll come across.

These two videos are hot because there's so much attention paid to Darlene and Roberta's magnificent mammaries. Add to that the fact that we actually hear these girls speaking, and you better have a towel nearby, because you're going to be drained. Plus, if you order both videos at the same time, a package of 14 color photos of Darlene and Roberta is included. That's some deal!

Girls Around The World #14 from Big Top Video finished fifth in the big boob video balloting. Reviewed in the Oct. '92 issue, this 75-minute video stars Tiffany Towers, Suzie Boobies, Sheena Marie, Zoryna Dreams and Cathy. What makes this video stand out is that Tiffany Towers performs her first hardcore scene, which is guaranteed to give you one of the biggest boners of your life.

Each girl performs solo in her own vignette, levitating our dicks slowly and preparing us for the grand finale – Tiffany's torrid fuck scene!

If you like watching Tiffany's towers, then you will really enjoy the sixth place finisher, **Introducing**

Tiffany Towers' scorching hardcore debut is one reason why "Girls Around The World #14" became an instant success.

Zena Fulsom, a carry-over from the '91 year-end rankings. One look at mega-mammed Zena will tell you why her video is one of the fastest sellers in GENT's history. Her zeppelins are so huge, they defy description. Her 30-minute video includes a revealing interview, an arousing dance and a hot photo session with John Lee-Graham.

Although Zena doesn't do hardcore, you'll still stay hard from start to finish because your eyes will never be diverted from her miraculous knockers. First we see Zena sauntering sexily in a flimsy, transparent robe. Her colossal, pear-shaped appendages billow mightily underneath the delicate material. Zena obviously enjoys showing off her incredibly massive chest, and easily lifts her behemoths before tweaking her huge, rubbery nipples. She culminates this scene by furiously diddling herself and climaxing.

Diddling and fucking can be good physical therapy, as we see in **Plumper Therapy**, our seventh selection overall. It features Nov. '92 covergirl Cathy, who heads a group of full-figured "therapists" specializing in sexually satisfying their male clients. Mark has a little trouble performing his husbandly duties in the bedroom with wife Cathy. So he visits a trained professional in this H & S Video also starring Georgina, Nilli, Ildiko and Tim.

Mark arrives at a palatial estate and is greeted by a big-titted therapist who bares a striking resemblance to his wife. She leads Mark upstairs to a large room and explains the best way to work out his problems is with physical therapy.

Gigantically titted assistants, Nilli and Ildiko, go at each other, starting with soft wet kisses and finishing each other off with hot wet tongues on each other's bountiful breasts. Mark gets a few ideas of his own and begins to pump his throbbing manhood as he watches these two busty beauties satisfy each other sexually.

There's plenty of steamy, arousing action in this video, which was shot in England. It has a decent storyline and enough big-titted British women to make your dick the size of Big Ben.

Those folks at Big Top have been on a roll. **Girls Around the World #15**, our number eight selection, is yet another one of their videos. This 75-minute video, reviewed in the holiday issue, is R-rated and stars Letha Weapons, Porsha, Lisa Gazombas, Jeannine and Nikki Knockers.

Needless to say, there are plenty of tits to keep you whacking for hours.

The video starts off with a bang as Letha Weapons performs an Arabian dance number that is sure to stiffen any sultan's tent pole. Letha is dressed in baggy genie pants and a tight vest that does nothing to restrain her wobbling weapons.

If your tastes run toward exotic, dark-skinned ladies, then Porsha is just for you. This ebony beauty is a

vision in her tight white dress, elbow-length gloves, stockings, heels and feathered boa. She's ready for action and proves it by stripping down to her lacy panties, grabbing a banana and almost sucking the peeling off of it. The obviously sex-starved Porsha then begins rubbing her breasts, lifting them and licking her dark chocolate nipples.

If your big boob appetite hasn't been satiated, it will be after seeing all four of the **Reel Classics** collection from Today's Art. This series captures some of the most popular models from the 1940s, '50s and '60s cavorting in very innocent (yet at the same time arousing) R-rated action. They are number nine on our hit list and are a collector's dream.

Each video is two hours long and are all taken from original eight millimeter footage. **Reel Classics 1** stars Linda West, Virginia Bell, Roberta Pedon, Candy Morrison, Penny, Star Murphy, Carolyn Hall, Elaine Reynolds and the films of Russell Gay, featuring Paula Price and others.

Reel Classics 2 stars Joan Brinkman, Gee Whiz, Cupcake Cassidy, Nancy Brown, Janey Reynolds, Virginia Bell, Paula Page, Anita Stein and Linda West. You may see these girls showcased in several excerpts from past performances, but I guarantee you there's no repetition.

Reel Classics 3 stars Margaret Middleton and Virginia Bell in a variety of strip scenes, June Palmer in a ship wreck scene that sees her lube up her boobs on an isolated beach and take in some sun, and Paula Page in a sexy outdoor scene that begins when her car breaks down in the woods.

For those of you who enjoy watching a woman smoke a cigarette, Penny will light your fire. She's wearing a see-through nightie and taking long, sensuous puffs on her smoke.

Reel Classics 4 completes the series and stars Virginia Bell, Tempest Storm, Terri Higgins, Busty Brown, June Palmer, Shere, Ginny Lee, Denise Brazil, Janey Reynolds, B.B. Bartow, Bobbi Ni, Lorraine

The "Reel Classics" series features several big-bust legends of yesteryear such as the incomparable Roberta Pedon.

Burnet, Paula Page, Hazel Taylor, Nicky Stevens and Magnificent Monique.

For those who remember the great Ginny Lee, there's a brief scene of her performing a sensuous strip. Another featured stripper is Tempest, who, believe it or not, is still on the circuit. This old footage features Tempest poolside in an Arabian costume with her pasties firmly in place and her body moving with sexy gyrations.

These videos are true collectors' items and once they're gone, you'll never get to see these fantastic ladies again. Even if you've never heard of these women, this is an opportunity to see the gals of yesteryear posing and teasing us when they were in their prime. These women are the ones who paved the way for today's

Aptly named Busty Brittany puts her breathtaking body to good use in her hardcore scene in "Breast Worx 23."

superstars.

Nostalgia of a different variety helps **The Addams Family** win the tenth spot in our rankings. This adult version of the popular TV sitcom and the recent mainstream movie was reviewed in September. This X-Citement Video is one of the most entertaining, arousing and imaginative videos I've ever seen. Remember, these ranking are based on sales as well as sex.

This feature-length release stars Ona Zee as Horticia, Mike Horner as Cortez, Charisma as Cousin Tit, Kim Angeli as Tuesday, Diedre Holland as Judith, Jon Dough in a superb take-off of Lerch (he's called Crotch) and Ron Jeremy as Cousin Pester.

Whether you're a fan of the "Addams Family" or not, you'll love this XXX-rated version.

When the munitions market bottoms out for Mike Horner, he and Ona decide to open a whorehouse, with Charisma and Kim as their "house girls." The girls

need to practice so they use each other and really get it on!

This is one of the best videos I've ever seen. Not only are the sex scenes sizzling, but the comedic timing and acting are great. This ensemble cast creates an improbable but wonderful situation: they allow you to laugh and get a hard-on at the same time. For information on ordering call 1-800-821-6448, or in California, 818-909-9200. Don't forget to mention you read this review in GENT.

He may not use comedy, but Bobby Hollander knows how to get viewers hot and bothered with his "Breast Worx" series. Each video is 75 minutes of hardcore, big titted action and has had sales that multiplied faster than rabbits in heat. This eleventh ranked pick was originally reviewed in Sept. when we took a look at "Breast Worx #24," which stars Chessie Moore and Hans, Mona Lisa and Michael, and Sake and Greta.

The video is divided into three vignettes, the first starring Chessie and Hans. Chessie plays a doctor who knows just how to treat her patient...by smothering him with her new and improved hooters. She mashes her humongous mammaries in his face, egging her impatient "patient" to lavish her heavenly hooters with his tongue.

Chessie drops to her knees and pulls his cock out from his jeans to give him a totally mind-altering blowjob. Watching her blond head bob up and down on his rock-hard shaft is enough to jump-start any dick. Without missing a beat, Chessie then wraps her basketballs around his cock for a quick tit-fuck before he pulls away and dives down on her muff for a box lunch. The excited patient's swollen thermometer between his legs is overheated and ready to explode. So he thrusts his hips back and forth, burying his cock deep into her cunt for a memorable fuck.

In **Breast Worx #23** (reviewed in October) Busty Brittany and John, Aja and Samantha, and Teddy Austin and Dave star. Busty Brittany and John lead off in this video.

Busty changes into a very brief

leotard which exposes her body more than it covers it. But John tries to maintain his professionalism and has her relax while he gives her a massage. His hands work their way down to her humongous hangers and down to her pussy where she spreads her legs so he can massage her clit with his tongue.

After Busty gives him a mind-altering blowjob, John rolls a condom on his cock and proceeds to fuck her from many different angles.

In a word, LBO's videos are about one thing: orgasms (both yours and these hot ladies'). These well-edited, superbly produced videos are a must-see for any tit-lover. For more information call 1-800-695-6909, or in California, 818-407-3800, and don't forget to tell them you read about these vids in GENT.

Last, but certainly not least, on our hot "A" list, is Filmco's video **Tit Tales III**. Do you know what you get when you put tittiful Trinity Loren, luscious Leanna Foxxx and jumbo jugged Jamie Leigh together? Three hooter-laden lasses who giggle and jiggle as they introduce their vignettes. After a topless romp on a trampoline, the girls take turns introducing their sizzling scenes, all of which are geared to put a bulge in any tit-lover's shorts.

Black beauty Jeannie Pepper does a girl/girl scene with Charisma that leads to a sizzling double-donged dildo fuck that will leave you panting.

This video is loaded with so much raunchy action, you might have to watch it a few times to catch it all. For information on ordering, call Filmco at 1-800-752-6842 or in California, 818-504-1966. Don't forget to mention GENT to them.

So there you have it, folks. A grand round-up of our best of the best. These are tried and true and have passed the towel test many times. For ordering GENT videos, turn to page 96 of this issue and remember, you don't have to be alone for the new year if you have these films. **G**

BRITISH BOSOM VIDEO

SANTA'S BUSTY LITTLE HELPERS

If lovely Lisa Phillips (sporting ear-rings) and Jeannine showed up at your house Christmas morning, would they need to bring gifts or would the mere sight of their bulbous boobs and moist pussies be enough to satisfy you?

If Santa's helpers really did look like 45-25-36 Lisa (who we last saw in April '92) and 46-26-36 Jeannine (who we last had the pleasure of eyeballing in April '91), how would he ever get any work done? Wouldn't he be perpetually pre-occupied with sampling the abundant, mouthwatering physical assets of these two beautiful, well-endowed ladies?

The holiday season usually brings out the giving side of most people, and it certainly has in the case of Jeannine and Lisa. Actually, the girls' generosity is twofold – they're not only giving each other untold sexual pleasure with their talented tongues and hands, but they're giving us a real yuletide thrill by letting us watch.

HOT MAMA

As big-boob lovers know, there's no state more conducive to the appreciation of a woman's endowments than new motherhood. Luckily for us, Tabatha Towers is experiencing the joy of becoming a new mother.

***Check Out
Tabatha's
Hot, New Video!***

Only 22, Tabatha never expected to become a mother so young, but now that she has, she's thrilled. Rather than hindering her career as an exotic dancer, Tabatha has found that the physical changes new motherhood has brought have actually enhanced her act. She says her boobs have never looked or felt better, and once she starts shaking her voluptuous 5'7", 138-pound 60-26-38 body, no man can possibly resist her.

Over the years, we've seen our share of huge areolae, but few, if any, have ever approached the gargantuan proportions of Tabatha's. Forget silver-dollar-sized pancakes – these babies are as big as anything the IHOP ever served.

Other than being a popular exotic dancer and possessing a mouthwatering pair of mammaries, Tabatha Towers bears no relation to another GENT favorite, June '92 covergirl Tiffany Towers (who we'll be featuring again real soon). Tabatha is originally from Wisconsin – the Dairy State – and exudes all the girl-next-door, Midwestern charm you'd ever want. If these hot photos of Tabatha have whet your appetite for more, you should check out her new video. She explains, then explicitly shows us how her post-partum state has affected every part of her body. For all the details, just turn back to the ad on page 24.

learn good balance,"
Pete impatiently ex-

ILLUSTRATION BY OTIS SWEAT

plained to the motley crew of beginning skiers fumbling around in the fresh Colorado snow.

"Your feet should be about six inches apart for good balance. Put equal weight on both skis and put your weight slightly forward on the balls of your feet. Keep your ankles bent forward until your shins press firmly against your boot tongues..."

As usual for a Monday morning, there were some real no-hopers on the crowded nursery slopes. In Pete's estimation, most of the pupils in his beginners class always fit into this dismal category and were either too old or just too plain dumb to benefit from any of the expensive instruction in the limited time available. When it came to ski resort vacationers with no experience whatsoever, their high expectations, unfortunately, couldn't make up for their lack of ability.

"Knees flexed so they are almost over the toes. And the same distance apart as the feet. Hips balanced squarely over the feet," Pete said in apathetic tone.

Deep down Pete was suffering from ski instructor burn-out, which accounted for his brutal cynicism and jaded

attitude. The trouble was he desperately needed the money, and teaching clowns from out of state how to do the herringbone sure as hell beat being an obsequious barman and dealing with all those wealthy assholes getting trashed down in Vail Village.

Up here, on the slopes, he could at least be somewhat of a prick if he wanted to and get away with it. Besides, there was always the remote possibility he would run into a rich widow with big tits at some point and be able to kiss these novices goodbye. Pete impatiently glanced at his watch but he knew it didn't really matter what the fucking time was, because after this group there'd be another and another and then another.

"Hi, I'm sorry I'm a bit late," a husky female voice suddenly announced from behind Pete.

The instructor turned around to see a very attractive brunette with massive casabas adjusting her boots. "Well, better late than never," he said to the tardy titter.

If it had been anyone less alluring, he would have probably given them his usual ration of sarcasm. But, this

bosomy babe definitely had the frontal qualifications needed to sharpen his appetite for sex, so he thought he should be nice.

Immediately employing the tried and tested technique known in seduction circles as "contrived touching," the horny ski instructor firmly pushed the small of the brunette's back on the pretense that her posture was wrong.

"Straighten up a bit," he said.

Women — married as well as single — usually loved this close attention and it was a crafty way of being intimate in an outwardly professional manner. Pete could feel the young girl responding to his "expert guidance" by gently rubbing up against him as he slowly moved his hand to her upper back and then her shoulder.

It was no wonder ski instructors held an unassailable position in sexual mythology, along with masseurs and male hairdressers. The reputation grew from the many tactile opportunities which presented themselves, giving these occupations an unfair advantage when it came to initiating a physical relationship with the opposite sex.

The busty pupil momentarily raised her goggles and glanced sideways at Pete, seductively flashing her big brown eyes at him. She was wearing a snug red pullover and black skin-tight ski pants and Pete could easily see that she possessed a slim athletic body, nicely accentuating the huge pair of boobs stuffed inside her bulging sweater.

The ski instructor knew they weren't implants from his skilled manipulation of the girl's back, which had revealed her highly developed, though over-worked, posterior muscles — a true indicator of natural mammary heft.

The experience he'd gleaned as a chiropractic trainee had always proven useful. Being a confessed tit-man with a penchant for mammoth knockers of the non-silicone variety, Pete was something of an expert at diagnosing this female problem, which he was often able to relieve with skilled massage.

"Hi. My name's Carla. I'm from L.A. I really like your personal touch," the hot brunette purred, emphasizing the last word by squeezing Pete's arm tightly as she turned around.

The stacked wench was now

"Once again, Miss Ferguson, it's Christmas bonus time and once again you'll find yours hidden somewhere in my clothing."

showboating and overtly flirting with Pete. She pretended to lose her balance, grabbing hold of the teacher in a wild embrace and mashing her sizable jugs against his chest. Now he knew her bosom was real. Blatant stares from the rest of the class indicated their disapproval at Pete's immature behavior and his ulterior motives with regard to the bra-buster.

Composing himself and trying to resume an authoritative air, he continued his tedious monologue: "A competent skier feels the snow through the soles of his feet via his skis. This is a basic fact of skiing. The faster you develop foot-sense, the sooner you will become proficient on the slopes..."

"It looks as though you're already proficient traversing her slopes," a disgruntled older woman with a New York accent rudely remarked, interrupting Pete and pointing directly at the disruptive newcomer with the big boobs.

Pete was completely flustered. If this witch complained to the ski school director, he was finished. Shit! He'd better get a grip — and fast, he thought.

"Okay, when walking in skis, use your poles to help you along. Let your arms swing back and forth naturally and take easy strides — a couple of feet at a time. Direct your skis firmly where you want to go." Pete demonstrated for the class as he spoke with a new-found concentration. Hopefully, once they all started falling down, they'd forget about his rudeness. The instructor went over to the overweight crone, who was probably just jealous and gave her some special attention. This was a big mistake.

Before he knew it, the complaining oldster was hanging on him worse than the brunette, who had begun to grin at his unsavory predicament. Then the gray-haired beginner slipped and fell onto her fat butt. As Pete helped her to her feet, she openly groped his crotch. Thank God his dick wasn't completely frozen, otherwise she'd have snapped it clean off, he mused.

"What are you doing tonight, Romeo?" the lusty senior loudly inquired so everyone could hear.

Pete began to stutter, a sure sign he was under stress — or more accurately under attack. Trying to fend off the octagenarian's crude advances was

proving no easy feat. Jeez, this was embarrassing, he thought.

"He's having dinner with me, aren't you?" the brunette suddenly interrupted, saving Pete's ass.

"Yes! That's right!" a startled Pete said. "Eight o'clock at the Galway Hotel, right? I'm really sorry, perhaps some other time."

The rejected New Yorker scowled and muttered an obscenity under her breath.

With an audible sigh of relief, Pete quickly moved away from the obnoxious woman and plunged back into the ski lesson. "Don't walk in a stiff, wooden-legged way or your skis could get tangled. Also, don't lift the whole ski clear of the snow and above all, take your time..."

"See you all tomorrow," Pete said, feigning enthusiasm as he declared the lesson finished. Everyone in the class seemed satisfied, except the lascivious old hag. She was probably going to blab to everyone about the scene on the slopes that she'd witnessed.

"I think that irresistible lady has a crush on you," Carla purred sarcastically, beginning to laugh. Sensing the instructor wasn't very amused by her remark, she wisely changed the subject.

"Oh well, I expect you have another class in a few minutes. It'll be better than the last one. See you at the Galway Hotel at eight, okay?"

Pete's depression immediately lifted. "So that wasn't just a ploy to get me out of a sticky situation back there?"

"Not at all. I couldn't let her get in the way of that wonderful back rub you're going to give me tonight."

Pete looked a little quizzical, not sure if she was being serious. So much for him asking her for a date. For a change, it had been the other way around. Carla had taken the initiative and, in no uncertain terms, had told him when and where to meet. Pete liked a female who took charge — as long as she wasn't from New York.

All male eyes were on Carla when she appeared at the hotel for dinner with the ski instructor. Strutting through the lobby in brutal stiletto heels and a low-cut evening dress slashed up one side to reveal taut legs in fishnet stockings, the stunning beauty looked as though she had shown up for a Hollywood gala event. It was a pity her illegal cleavage

never made it into the restaurant.

Though Carla had made reservations for dinner earlier, there'd been some kind of fuck-up and her name wasn't on the list. The babe was furious.

"Let's blow this place off. We'll go up to my suite and just call room service. We can eat and drink in the jacuzzi."

It sounded very good and Pete followed her lead and shapely derriere into the elevator. Things were moving fast and he told her so once they were inside her penthouse suite.

The buxom brunette was obviously still pissed. "I don't have to worry about money - only men," she snapped, flicking her long black hair over her shoulder.

"The cocktail cabinet's over there. Help yourself to a drink. I'll be back in a minute," she said in a calmer voice as she disappeared into the bedroom.

Pouring himself a double whiskey, the ski instructor sat down on the plush sofa and began to flip through an issue of Downhill Skier he had found on the coffee table. Casually

flicking through the magazine's glossy pages, he suddenly saw a photo of a face he recognized. Reading the caption below it confirmed that it was none other than the bulbous brunette in the other room. But how could that be? It said: "Carla Pirelli celebrates winning the Grand Slalom in Sweden."

Shit! She'd really duped him out on the slopes this morning, he thought. But why did she do that? Thankfully, he didn't have to wait long for an answer.

Before Pete had a chance to think about the deception, Carla had swept back into the living room. Judging from the sexy outfit she was in, or rather half out of, it was apparent to Pete that she wanted to get laid. Could it be that simple?

Scantly clad from head to foot in the most cock-raising lingerie he'd ever seen, the succulent fox immediately sat next to her guest, who still had the ski magazine open to the page with her picture on it. "I'll explain that later," she cooed, confiscating the periodical and thrusting her décolletage into his incredulous face.

Pete realized it was time to rock 'n' roll, or as he preferred to call it, "cock in hole." The aroused ski instructor didn't waste any time and hastily tore off all his clothes. Then he hungrily started kissing and nuzzling the girl's perfumed neck and upper breasts so gloriously cantilevered by the demicups of her mauve bustier.

"When the food's on the table, you don't waste any time wolfing it down, do you?" Carla said as Pete continued his noisy bosom-banquet.

"What's the next course?" he asked cheekily.

The brunette's answer was to lean forward and undo the hooks at the back of her constrictive bustier. The result was a mammary avalanche that would have flattened any other mortal man.

Pete had never seen such stupendous breasts on a competitive world-class skier. They were usually all titless wonders, an accepted prerequisite for speed and agility on the hills. Carla's naked gazongas were truly awesome, each one probably weighing at least ten pounds in Pete's estimation.

Transfixed by their visual impact, as well as their imposing physical presence, Pete began to give Carla's lightly veined udders a lengthy tongue-bath before his mouth inevitably gravitated toward the edges of her areolae.

After a few minutes of such ravishing torment, this stimulation proved more than the looker could bear and she begged him to orally ignite her neglected nipples.

Too slowly for Carla, the instructor's experienced mouth traversed the concentric circles of dark hard nubs radiating out from her cigar-butt teats. Then Pete's lips finally latched on to her tingling dugs and began to suck away as the deft fingers of his right hand gently tweaked and finger-scissored each of them.

Coming up for air after wallowing for a while in the silky depths of the babe's bottomless cleavage, Pete immediately noticed the large wet patch in her skimpy panties - the result of her drooling pussy. The titter stood up and stepped out of her G-string, now clad only in her frilly garterbelt, the straps of which wickedly tugged at the tops of her open-meshed fishnets.

Grasping Pete's fully erect dong,

Carla towed the man into her bedroom and playfully pushed him into the jacuzzi.

"But we haven't called room service," the ski instructor protested.

"So, my luscious melons didn't fill you up, eh? Well, you better have a juicy clam then," Carla cooed, sitting on the edge of the jacuzzi and dangling her legs apart in the hot water.

Pete parted her thighs even wider and his tongue swiftly docked with the brunette's pearly clit while two of his fingers executed a parallel christie and a jet turn up her beaver before probing her gaping hole. Carla began to moan as Pete finger-fucked her and then started performing cunnilingus on her.

Immersed up to his neck in the relaxing water, Pete continued his oral and digital stimulation of the brabuster's meaty cunt lips. Even though the minx was leaning back, resting on her arms, the big-bust overhang right above the instructor's head still obscured Carla's face as well as most of the light.

With his lips glued to her glistening clitoris, all Pete could really see when he looked up was a dense pubic jungle and sagging whoppers capped by wide dark nipples. Then the titter began to breathe heavier, indicating the onset of her climax. Pete braced himself in the jacuzzi as Carla's legs kicked wildly in the water and she rubbed her gooey hole up and down his snout in the throes of a powerful orgasm.

"Did we really have dinner reservations for eight?" Pete disbelievingly inquired when the busty wench had recovered.

The girl grinned. "Of course not. My fake anger was simply a ruse to get you up here, just like me pretending to be a novice skier out on the slopes this morning. I figured if I had revealed to you up front that I was a professional skier, you'd have been a little intimidated."

Her ludicrous explanation sounded very conceited, not to mention overly complicated. Some women just liked to play games — silly games at that — and Carla was no exception.

Swapping positions with her partner, Carla proceeded to give the ski instructor a blow job, initially placing his swollen glans in her mouth and then slowly pushing her tight lips

all the way down his ribbed shaft to its hairy base. Pete was impressed by the way the fox easily took his nine inches down her throat. Slowly but surely, she began to pick up speed as her head bobbed up and down on his end. Pete was in heaven.

Now standing half out of the seething water, on a step in the side of the jacuzzi, Carla wrapped her mega-mams around Pete's aching dick, engulfing it completely in a chesty vice. Pete wanted to shoot his load then and there, but was prevented from doing so by Carla climbing out of the water and mounting him as he reclined on the tiles at the jacuzzi's rim. Now having crawled on top of the teacher, her gravity-stricken tits dripping all over him, Carla hurriedly slid down on his cock. Being ridden in this position afforded Pete the luxury of kneading and fondling her pear-shaped behemoths. The teacher manipulated her expansive titflesh and mashed it into his face. Like big balls of cross-nippled dough, Carla's giant floppers were a source of endless fascination for Pete.

Suddenly feeling pre-orgasmic spasms shooting up his dick, Pete realized it would only be a matter of seconds before he erupted inside her. Making a poor facsimile of brassiere cups with his hands, the stud held onto Carla's jugs as he shot his jism. Pete didn't think his ejaculation would ever end. When it did, it left him quite exhausted and completely flaccid. Now he really had an appetite for dinner.

"The French movie *Les Branleurs* is playing tonight at Cinema 76. We can get something to eat in Vail Village and then go see it if you like. It's the director's cut with more than 20 minutes of restored footage. I'm something of a foreign movie buff," Carla explained.

"On the subject of restored footage, take a look at my prick," the ski instructor said irreverently.

Carla glanced at Pete's crotch. He had an enormous boner again, indicating he was indeed ready for more sex.

The couple climbed into the jacuzzi and Carla immediately launched her underwater weapons at her partner's submerged cock. With those megamammed torpedoes, Pete thought, the brunette could sink his ship any time she wanted. **G**

A "Letha" Injection

Most GENT readers are going to willingly overdose on the killer figure, huge boobs and pure sexual energy of lust-filled Letha Weapons.

The fact that 19-year-old Letha Weapons is now one of the exotic dance world's up-and-coming new stars should come as no surprise to anyone who knew Letha when she was younger. You see, Letha was hit by the performing bug early on and luckily for us decided to satisfy it by performing on stage, and by doing nude photo spreads and adult videos (one of which, *Girls Around The World #15*, is available through the Video Library on page 96). When not performing on the circuit (on which she's billed as measuring 70-26-32), this sexy 5'5", 127-pound blonde lives a rather simple, yet utterly titillating existence. She told us flat out that she has no other hobbies besides having sex. In fact, when she's out on the road she compares her life to that of a wild animal — "I eat, sleep and have as much sex as I possibly can," she giggled to us recently. Although she has no steady boyfriend, Letha has "male friends in every city I perform, and I'm always looking to make new friends." Letha explained to us that while she enjoys almost any and all sexual positions, the one she prefers most is doggie-style "because it allows for the most penetration." No argument there. Even when Letha's not performing, she enjoys being the center of attention and usually wears very revealing clothes in her everyday life so that people will notice her. We have a feeling that people would notice Letha no matter what she wore.

This layout was shot on location in the Bahamas by ace lensman John Lee-Graham who did his customary superb job. Of course, with Letha it's almost impossible to take a bad picture. She has the rare ability to exude raw sexual energy in every photo she takes. Or, to put it more bluntly: lusty Letha looks perpetually horny. And even better for us – she has no qualms about acting on those feelings. If you'd like to tell Letha how much you enjoyed these arousing photos, write her at Letha Weapons Fan Club, 5757 Westheimer, Suite 3-118, Houston, TX 77057-5721.

*Fort
Lauderdale's*

D-CUP

ENTERTAINMENT

ARTICLE & PHOTOS BY E.L. M

*From topless doughnut
shops to weekly
salacious scandals, sex
is a perpetually hot
topic in this tropical*

Magazines for adults

Popullarno.org

From the 2 Live Crew censorship trial to the William Kennedy Smith sexcapade, sex is a perpetually hot topic in the tropics of South Florida, especially in Broward County.

Puritanical politicians and preaching Polly Purebreds have helped turn the once tranquil shores of Fort Lauderdale into the beachhead of a war on sex. Nude statues have been altered, nude beaches have been turned into constitutional battlefields and thong-wearing female hot dog vendors are fighting for their right to bare their buns in public.

Despite all this ultra-conservative backlash, the South Florida adult entertainment scene has remained completely untouched.

"We're doing well," says Renato Carrettin, president of M.J. Peter Club Management, Inc. M.J. Peter is responsible for running well over 20 adult clubs, one-third of which are based in South Florida.

Carrettin's humble phrase seems to be an understatement when you stop to think about all the shots that have been fired in this war on sex and the fact that South Florida's adult clubs have come through the battle without even a flesh wound.

The adult entertainment business may be doing well because people are realizing that they can have fun in an adult entertainment club and not have to worry about getting into trouble or becoming involved in some constitutional controversy.

"They know they can come in and be in a comfortable surrounding that emphasizes hospitality. They can relax and forget the worries of everyday life," Carrettin said.

"Last year we had a senior citizen group come in

and then write us and tell us what a good time they had," he says with a grin.

(It is important to note that while most of the women who dance in Fort Lauderdale's adult entertainment clubs are not D-cuppers, on any given week at least two big bust feature dancers are appearing at the clubs.)

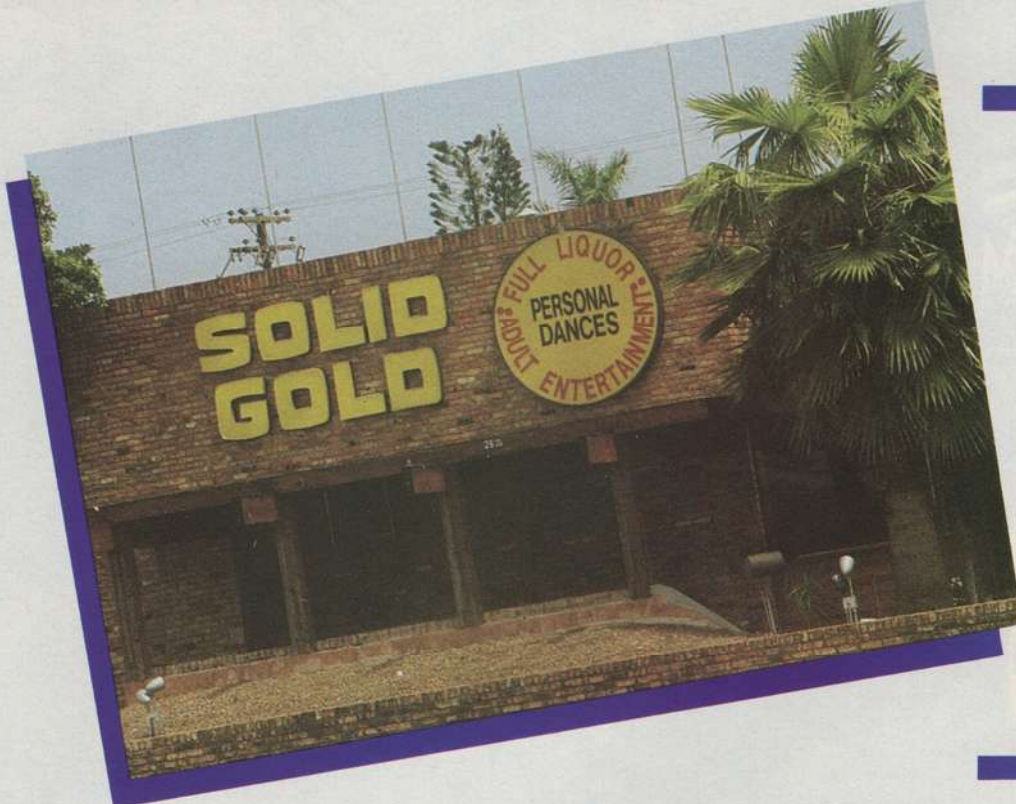

Having a good time is what it's all about and, regardless of tit size, there are over 15 clubs in the Fort Lauderdale area that offer adult entertainment. This is just a taste of the tropics.

PURE PLATINUM

Pure Platinum in Fort Lauderdale has the women and atmosphere against which all other area clubs are measured. From its valet parking (\$3-\$5) to its plush interior, Platinum will score high with even the toughest critic.

The club has an ample supply of dancers (150 according to Carrettin) and all are well-proportioned. There are few D-Cups here but it won't really matter when you see the variety. And all of the women are courteous to the patrons when offering their dancing talents for a semi-private tableside show (\$10). Platinum will definitely keep your dick hard and your head turning with its bevy of nude beauties, many of whom have appeared in men's magazines.

Pure Platinum, located at 3411 N. Federal Highway (305-360-4342), is not only one of the best clubs in Fort Lauderdale, it's also the biggest. Platinum offers a large main stage, several raised smaller stages, a DJ who spins some great tunes, three bars and VIP section.

***Solid Gold
offers a unique
experience that
should not be
missed – it's
called the
friction dance.***

BEVERLY HILLS KNOCKOUTS SALOON

While this club has a different name and a different identity, it is really part of Pure Platinum. Knockouts features pretty pugilists who will wrestle and box for your viewing pleasure. You can even join in, if you outbid the rest of the bar for the privilege of getting into the ring. The honor can go from \$50-\$100. Knockouts has a sports bar feel with its hot dog vendor and big screen television tuned to the biggest event of the day.

One special attraction between both clubs is the shower area in Pure Platinum where contestants from Knockouts come to clean up when they are finished. Pull up a chair and enjoy some good clean fun!

The dress for both clubs is casual, but if you want to fit in and be comfortable, slacks and a collared shirt are suggested.

The great part about both of these clubs is that they are the same place and you only have to pay one cover charge (\$7 on the weekend, \$5 through the week). Drinks range in price from \$4 for a beer to \$4.75 for a mixed drink.

All told, a good time can be costly here (depending on how many dances you have and how much you drink), but the total for an evening including parking, cover, two dances and three beers comes to about \$50. Even if you come out with an empty wallet, you will never have more fun being broke.

Pure Platinum is a nude bar and "breaking space" (the industry phrase for getting too close) is not advisable. Even the dancers can be reprimanded for violating this rule. This establishment closes at 2 a.m. and doesn't tolerate stragglers.

SOLID GOLD

While it is just a few blocks from Pure Platinum and may not be as big as its sister club, Solid Gold does offer a very unique experience that should not be missed if you're ever in Fort Lauderdale. It's known as

the Friction Dance.

Friction dancing is a hybrid form of the standard table dance and gets its name for very good reasons. This sexy dance allows a scantily clad beauty to literally rub herself all over you as she performs her dance. A couple of the most common statements made after receiving friction are "What is that perfume you're wearing?"; "I think I'm in love," and "Can I have another dance?" This is definitely one of the best ways to practice safe sex.

The best part about friction dancing is that it costs the same as standard table dances in other establishments (\$10). And if you catch the eye of one of the dancers as a man who knows how to have a good time, you may get invited to the Couch Room for an even more private, personalized version of friction dancing.

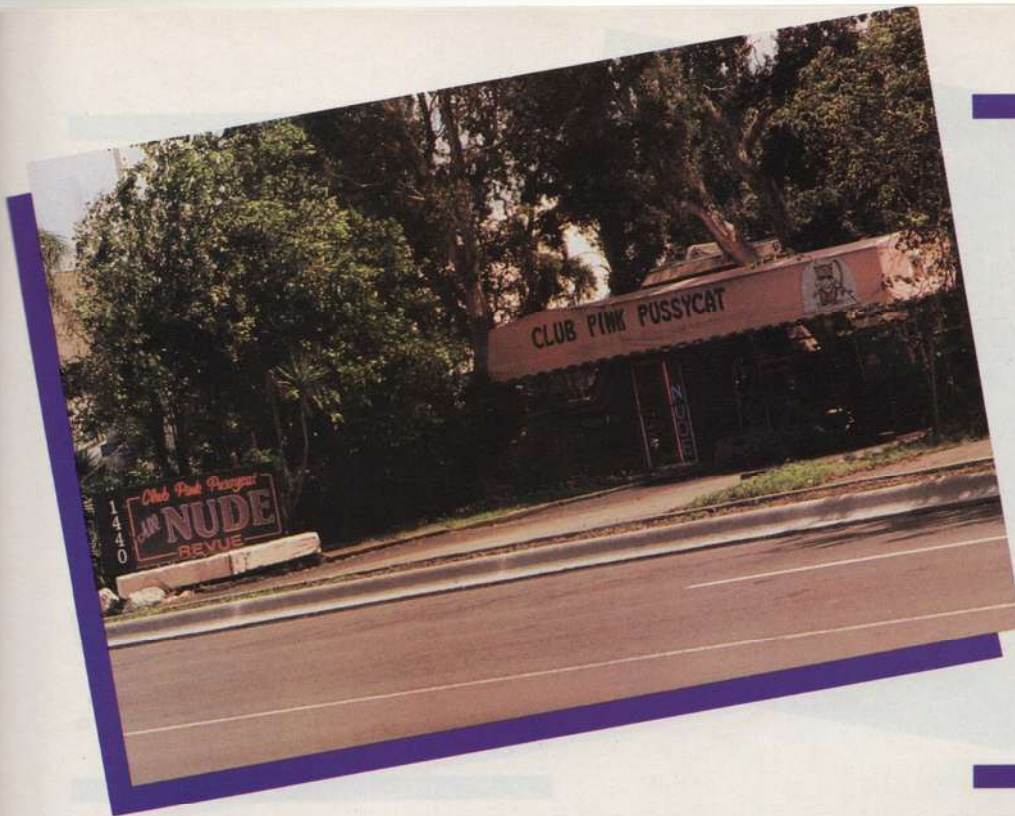

Solid Gold of Fort Lauderdale, established in 1975, offers one main stage, two small one-dancer stages, a VIP section, two bars and a DJ. The decor isn't quite as upscale as Pure Platinum but Solid Gold holds its own.

The women of Solid Gold are polished performers who can do some things with their bodies which defy gravity. Because of the popularity of the friction dance, finding a dance partner at Solid Gold can be difficult at times, but if you flag down a waitress she will be happy to point a dancer in your direction.

Also, if you have a problem getting some attention, seek out one of the managers and tell him. In one instance, not one dancer came to the table for over 15 minutes, but that was fixed with a brief conversation with a manager. Remember, it pays to be nice sometimes.

Solid Gold's other big attraction is that it plays host to some of the top names and acts in the adult movie industry. Christy Canyon and Barbara Dare are just two names that recently graced the Solid Gold stage.

The dress code here is casual; jeans and a collared shirt will suffice. The clientele here is diverse and can

The Pink Pussycat offers a variety of special events such as nude volleyball and nude aerobics.

include a lot of locals, which tends to give it a more blue-collar feel.

The cover charge is \$5 and parking runs \$3. Drink prices are roughly the same as Pure Platinum. A good time can cost anywhere from the minimum of \$30 (cover, parking, a dance and two drinks) to well over \$50, depending on how addicted you become to friction.

Solid Gold, located at 2650 N. Federal Highway (305-360-4341), is a nude bar and closes at 2 a.m. as well.

CLUB PINK PUSSYCAT

This club has plenty of potential and offers a wide variety of special events that make it worth a look, but make sure you go at an off time.

The cover charge is usually not an issue when it comes to having a good time, but it is in this case. If you come here on a Friday or Saturday night, you will have to pay \$7, plus there is a one-drink minimum. The cover starts after 9 p.m. and parking is \$2. Before you've even sipped your first brew, you've already spent \$13 dollars! Kinda steep if you ask me!

If you do go before 9 p.m., you may want to go on Saturday afternoon when they play nude volleyball. There are also nude aerobics at 2 p.m. daily.

Club Pink Pussycat is a smallish club with a main stage and a DJ. Because it is much smaller than Platinum, you don't seem to get as much for your money.

This club, located at 1440 S.E. 17th Street Causeway (305-532-0402), stays open until 4 a.m. and offers totally nude dancers. Just as a warning, some of the dancers at this club have been arrested for performing lewd acts on stage. It adds to the sense of adventure, but be careful!

JIGGLES

The two main draws for this club are you can drink until 4 a.m. if you want and the lights are kept really

low.

These two things are important because you would need a lot of alcohol and pitch dark to have a really good time here.

While some of the women are attractive, there just doesn't seem to be enough of them.

The primary motivator here seems to be money and the dancers are not subtle about it. The waitresses even ask you if you want to buy the ladies a drink, which will run about \$4.

If you see their ad in the newspaper, Jiggles sounds very appealing, but don't be taken in by their empty promise of no cover. The ad says free admission, but what they really mean to say is free admission before 7 p.m.

Jiggles has one stage and one bar and a DJ plays the music. The lone bright spot may be free parking, but that's no consolation if the club is not worth stopping for.

This one, located at 2829 W. Broward Boulevard (305-587-2500), stays open until 4 a.m. and offers topless and bottomless dancing.

CLUB GEE

This small, one stage club is a great place to start or end the evenings festivities.

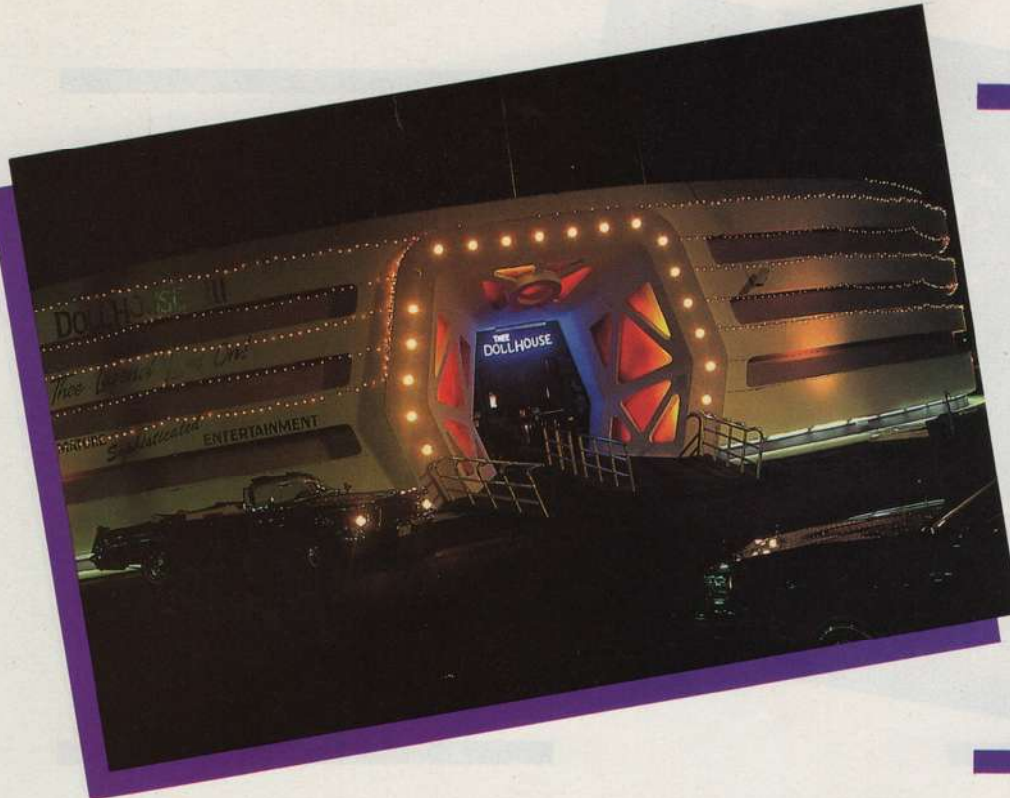

Located in the upstairs of Mr. G's Whiskey River, it's just a one-mile drive from Pure Platinum and Solid Gold. It's very quaint and usually not very crowded before 11 p.m., even on Friday and Saturday.

There is a good variety of women here and they are very friendly for the most part. They do solicit tips a little too much, but it's always done in a non-pressured, good humored way.

Club Gee also offers a couch dance for \$10 that is worth the investment. The women are topless.

Another plus for this club is that it is located in an area with several other mainstream nightclubs, one of which is the local hotspot Shooters.

It costs \$2 to get in and parking is free if you can

***The women of
Thee Dollhouse
are plentiful
and polite.
You'll have no
problem finding
a dance partner.***

find a space, but you may want to take quarters along for the metered spaces. Drinks are about the same as everywhere else, roughly \$4.

Club Gee, at the corner of Oakland Park Boulevard and A1A (305-568-9554), is open from 5:30 p.m. to 2 a.m. Monday through Friday (till 3 a.m. on Saturdays) and is always worth the time and money.

THEE DOLLHOUSE

It's plush interior and beautiful women should be a giveaway that this is yet another M.J. Peter operated establishment.

While The Dollhouse is a bit off Fort Lauderdale's main strip (it's 15 minutes from downtown Fort Lauderdale in Pompano), it is well worth the effort it takes to get there. Your best bet would be to attend one of the Fort Lauderdale M.J. Peter clubs and then end your tour here. If you do it this way you may save yourself the \$5 Dollhouse cover. If you go to Knockouts and watch the wrestlers, you'll be given a ticket for free admission here.

This club is unique in that it is completely round and the stage is sunk into the middle. Thee Dollhouse offers two bars, one stage and a VIP section. A live band plays on the weekends and a DJ plays the hits the rest of the time. They also utilize some interesting special effects and lighting.

The women of the Dollhouse are plentiful and polite. Even when the bar is packed, you will have no problem finding a dance partner or a waitress.

A table dance (\$10) here is a true table dance, with the dancer climbing up on your table and doing her thing. Your best bet would be to wait for one of the many two-for-one table dance specials that are offered nightly.

A beer here will run about \$5 and mixed drinks are even higher. If you plan on drinking here, bring some bucks. You may just want to come and watch these beautiful babes strut their stuff. Thee Dollhouse offers a free buffet through the week and is a good place to

kick back after work.

The dress code is casual and the clientele is mostly local younger men.

Thee Dollhouse, located at 3561 N. Federal Highway (305-782-1604), is another all nude club and stays open until 2 a.m.

CHEETAH'S III

Despite being a little off the beaten path, Cheetah's III offers quality entertainment at lower rates.

The club is located in Pompano on N.W. 31 Street just off Atlantic Boulevard, about three miles from the interstate. Cheetah's has one of the better laid out bars in Pompano, with three large stages, two bars, a VIP section and a very funny DJ.

The dancers are quite attractive and the waitresses are very polite. One suggestion would be to find a waitress named Megan and ask her for a draft. You'll be pleasantly surprised by her response (she blows seductively in your ear). Drinks are \$4-\$5 and the service is very fast and friendly (at least Megan is anyway).

The action never stops at Cheetah's and table dances are only \$5 here. The drawback though is that it can be difficult to find a dance partner if the place is even moderately crowded, so get there early.

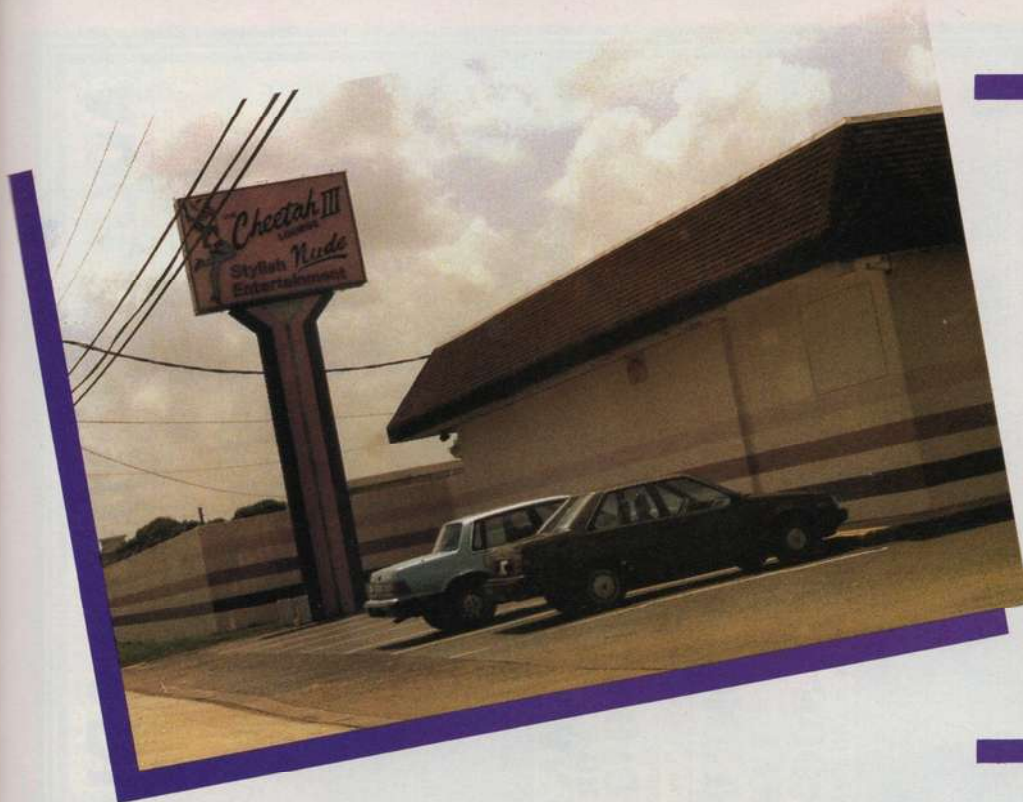

The clientele here is local, middle-aged men who are probably just having some fun while their wives are away. The dress code is casual. Jeans and a T-shirt are acceptable.

The cover charge is \$4 and parking will run you a flat \$2. This club is one of the few bargains you'll find that is truly worth the money. If you have the time, don't miss taking a prowl through Cheetah's at 497 N.W. 31 Avenue (305-971-2600).

GOLDFINGER

This is yet another adult entertainment club operated by the M.J. Peter group.

Goldfinger is located about 10 minutes West of Fort

*If you have the
time, take a
prowl through
Cheetah's
because the
action here
never stops.*

Lauderdale in the city of Sunrise.

Some of the same dancers who work Pure Platinum and Solid Gold are rotated through this club, so the talent is almost always first-rate.

There is one large bar and one stage with a DJ. This one is laid out so that there is plenty of room between tables. Goldfinger also offers pool and a VIP section.

The atmosphere is casual and the prices run the same as Solid Gold for just about everything, including cover, drinks and table dances.

Goldfinger, located at 3801 N. University Drive (305-572-2630), stays open until 2 a.m. and is a totally nude bar.

And if you don't mind clothes on your D-cupper, there is a Hooters one block north on the same side of the street. This is an excellent double play for a night out with the guys.

If your wife or girlfriend insists on coming along, there is also a women's adult club in the same building. It's called LaBare.

THE BOOBY TRAP

The Booby Trap is just around the corner from Cheetah's but can't compete with the larger clubs in the area.

This club has one stage, one bar, a DJ, a pool table and a very cozy atmosphere.

The dancers here are attractive and nice enough, but the disparity of women to men is too great. Table dances are \$10 and are done tableside.

The clientele here is almost all local and the dress code is very casual.

The Booby Trap does offer some good drink specials, as do most of the other clubs. Wednesday is two-for-one all night and Tuesday there is an amateur contest. They also have a free lunch from noon to 3 p.m. everyday.

Parking here costs a dollar but you park your own car. The cover is \$3 and drinks run from \$2-\$4.

The dancers here are nude and the club, located at

2840 Hammondville Road (305-971-SEXY), closes at 2 a.m.

CRAZY JIM'S

Hollywood (about five minutes south of Fort Lauderdale) is the place to go if you are looking for real local color. This is a nice place but can get pretty rough if you are not careful. This place is a cross between a biker bar and a sports bar and is not for the week of heart or stomach.

Jim's offers a lot of specials, including a Friday night pajama party and dollar drafts on occasion.

The bar is small with one bar that circles a stage. There is also a smaller stage in the back. A DJ plays the music here.

The women of Crazy Jim's are diverse. Men who like women with a little meat on their bones may enjoy this establishment. The dancers here are definitely real, no silicone.

There is no charge for parking and no cover here and drinks are moderately priced. There are also no table dances. All the women are on stage and work for tips. A good time can be had here for mere pennies, but Jim's is certainly for the more adventurous club goers.

This club, just west of I-95 at 5775 W. Hallandale Beach Boulevard (305-963-4422), closes at 4 a.m. and offers totally nude dancing.

Generally speaking, most of the clubs offer about the same pleasures in one form or another. They almost all have table dancing and most offer bachelor party specials.

And most of the clubs are easily located, because they are either on or just off of Federal Highway.

Regardless of any controversy, Fort Lauderdale and its surrounding metropolitan area offers a wide variety of places where men and women can go for some spirited D-cup entertainment.

PARTY GIRL

Would you say sexy Karen Kane knows how to throw a party? Judging from how quickly her clothes and panties are disappearing, the fun just seems to be starting. If spending New Year's Eve eyeballing this lady's slim-'n'-stacked figure and jutting melons doesn't get 1993 off to a good start for you, nothing will.

Karen's obviously in a celebratory mood and with a body and face like hers, we'd say she has a lot to celebrate. Ever since she debuted in GENT in Nov. '89, Karen has had a legion of fans who've found her 5'7", 117-pound, 38-23-35 body and jutting, nipple-tipped torpedoes to be the embodiment of feminine perfection.

As Karen diddles her moist and waiting pussy, we wonder if she's contemplating her new year's resolutions or fantasizing about having a warm, throbbing cock penetrate her to the hilt. If her expression is any indication, we'd say it's the latter. Be a good guest and give your host what she clearly wants but is too polite to ask for.

EXPIRATION DATE

A stylized illustration by Michael Kirwan. It depicts a woman's legs and buttocks in a vibrant, almost neon pinkish-red color, submerged in greenish-blue water. To the left, a large blue ship's porthole with several bolts is visible. The overall style is bold and graphic, with thick outlines and saturated colors.

Hooker, Line & Sinkers

STORY BY HARDING TARGETT

**This crusty
seaman found
his sexy passenger's
offer to be irresist-
ible because it com-
bined his two favor-
ite passions – fishing
and gigantic boobs.**

HE SAW THEM AS THEY LEFT THE marina office, watching as they made their way down the ramp toward the boat. They each carried an overnight bag, real luggage, not the duffel bag recommended in the brochures. One of the women was a tall blonde, the other a short brunette.

"Check out these two, would you?" said the captain as he nudged his first mate.

"Not bad, skip. Not bad at all."

"Not going to fish, either, I'd say."

"No, not fishermen," the mate said as he eyed the two beauties carefully. "I bet you they are working girls."

"I never bet on a sure thing," said the captain with a smile.

The two women stepped on board and looked around, a little unsure of themselves. The captain caught the blonde's eye, waved and pointed in the general direction of the entrance to the galley on the main deck. Smiling, she waved thanks and disappeared in that direction with her companion.

"Who we got on this trip, skip?"

"I forget the name. They're a bunch of lawyers from Santa Maria. They got the whole boat chartered."

ILLUSTRATION BY
MICHAEL KIRWAN

"That cost a bit," the mate said after a long whistle.

"Seventy-five hundred for three days," the captain said over his shoulder as he entered the wheelhouse.

Starting each of the engines, the captain watched the oil pressure and water temperature gauges until they came up to normal.

"Fifteen minutes. Better check the crew," the captain yelled out to the mate over the revving engines.

"Right, skip."

Three days made a good trip. Enough time to get in some good fishing, but not so long that it becomes boring. With any luck they'd get into a hungry school of albacore and the boat would have a good score for the papers when they got back, the captain thought to himself.

The noise of the exhausts changed as the mate came through the teak doorway to the cabin.

"How's it look, Bob," asked the captain without turning.

"All aboard, skip. Two deckhands bedded down and two on deck ready to let go. The cooks are putting out the lunch and the passengers are boozing it up."

"Passengers all here?"

"Yeah. I found the head of the charter. Name's Miller. He says they're all on board."

"Okay. Get the gate closed and we'll get this mother out of here."

The captain checked the instruments again, then gestured to the deckhands to let go the lines.

"Okay, skip. All set."

"Right."

Carefully, the captain nudged the throttles for the two engines and the boat glided smoothly out of its slip. The sun was just setting.

He tried to imagine the two hookers in the cabin below him. It was the largest cabin on the boat and the only one on the main deck. All the others were below decks. Of course, it was the one the owner, Jimmy Fiori, always showed prospective customers. Its picture windows, ample space and wall-to-wall carpeting always made the right impression.

It was also the worst riding cabin on the boat, but most customers didn't find that out until it was too late. Maybe the girls would use the ride to their advantage — if they had any imagination.

After loading bait for the trip and

clearing the harbor, he turned the helm over to Bob and went to bed. When he took over again the boat was 72 miles at sea. The ocean was calm and looked like glass. The moon was full. The only breeze was that created by the boat as it traveled through the water, occasionally answering to the electric clicks of the auto pilot. Hunched over a cup of coffee, the captain watched the wakes of a porpoise riding the pressure wave at the bow.

He sensed her presence behind him before he saw her.

"Hi," she said as she approached him, pulling her sweater around her folded arms to keep the chill off. Her perfume seemed out of place.

"Morning," said the captain in a low voice.

"You the captain?"

"Yeah," he said.

"My name is Doreen."

"Mark, Mark Preston."

"Nice ship," she said, trying to keep the conversation afloat.

"Thanks, but it's a boat."

"Boat, ship. What's the difference?" she asked.

"Size, mostly. A boat can be put on a ship."

Her forehead creased as she thought that over. He noticed her hair peeking around the edges of her scarf in the moonlight and realized she was the blonde.

"Can't sleep?" he asked.

"No. I'm too excited. I've never been out before."

"I could tell that by the way you dressed," he said.

"Yeah, I wore my working clothes."

Mark chuckled. "Hard work?"

"What's it to you buster?" she said pointedly.

He was surprised at the suddenness of her anger. "Nothing. Just making conversation. I fish, you fuck. That's what we do for a living."

"You ought to get some sleep," he said, trying to change the subject.

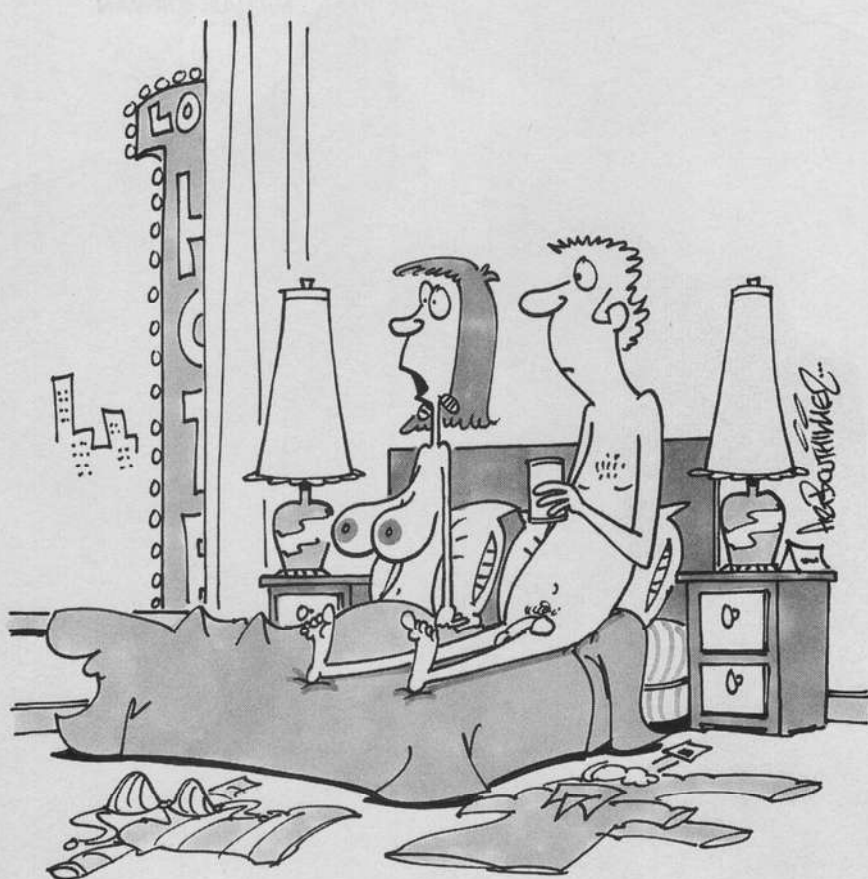

"I tried, believe me. But we got three drunks snoring their heads off down there."

"We could get them out for you."

"No, that's all right," she said with a smile. "Thanks anyway."

The next day the first tuna hit just as the upper edge of the sun jumped the horizon. Turning the boat hard right, Mark reduced speed, took the engines out of gear and let momentum carry them into a school of fish.

"Fish on!" the captain heard one of

"I feel so cheap...and SATISFIED!"

the deckhands shout.

Walking aft, he took in the scene on the main deck just as the mate came running up the ladder.

"We only got four people on deck, skip," Bob said as he pointed to the four men groggily playing with rods.

"Christ!" said Mark.

"I tried to get them up three times. They're all so hung over they could care less about catching fish," said Bob.

"Yeah, I see that. Well, shit. Try getting them up again."

"Right, Skip."

Mark watched him bound down the ladder just as the first fish hit the deck. It shook violently, its tail thudding a loud machine gun-like staccato against the bulwark. A deckhand clubbed it between the eyes and it stopped instantly. Blood poured out of its gills, through the scuppers of the boat and into the ocean.

"Now we'll get sharks," he said aloud to no one in particular.

Walking into his cabin he shut off the video recorders. No one in this crowd would be interested in a film of himself fishing, he mumbled.

Three days later they were forty miles out of port. Doreen found Mark lying in the sun on the upper deck.

"This has been a hell of a trip, captain."

"You can say that again, Doreen."

"You sound bitter," she said.

"I am. These guys chartered the boat to go fishing and all they wanted to do is drink and fuck. With this kind of weather and the hot bite we had, we should be coming home with at least 200, easy. Instead, we've got maybe 12 fish."

They stared at the horizon for a few minutes, letting the tension subside.

"Well, we made out pretty good," she said.

"Oh?"

"Yeah. Better than a thousand a piece."

His eyes widened.

"I was surprised, too," she said.

He whistled. "A thousand bucks."

"Anyway, Jenny and I were wondering about the chances of coming out again."

"You mean to work?"

"Yeah. We could book passage or whatever and work the customers in between fishing."

"I don't know. It's kind of risky."

"You're outside the 12-mile limit, you know. It might even be legal," she added.

He smiled in spite of himself. "You been talking to those lawyers."

"We'll cut you in for 15 percent."

"You know I don't own the boat."

"No, but you're the captain. We couldn't do it without your co-operation."

"And," she said, grabbing him between the legs, "we'll give you all the free samples you want."

"I always like to know what I'm getting into," he said, leading her to his cabin.

She took off her slacks and panties and tossed them onto a chair. Turning to him, she curled the blonde hair of her bush in her fingertips.

"You'll be getting into this," she said with a coy smile.

Mark swallowed hard.

"Let me see your breasts," he said excitedly.

Pulling her sweater off, she said, "These aren't just breasts, captain. These are tits." She lifted one with each hand.

Mark was astonished at their size. Two pale, melon-shaped mounds with dark nipples that beckoned as she rubbed and squeezed them gently.

"Those are magnificent," he said, removing his own clothes.

"Wow," she said, watching him.

"That's some cock. You're pretty magnificent yourself."

"Let's put the two together and see what happens," he said.

She lay on the bunk. He straddled her, putting his dick in the warm valley between her two massive mounds.

"This is fun," she said, pushing her tits together. "Now, you thrust and I can suck you each time the head of your cock pokes out. That's it."

"Oh, man. This is good," he said. He watched as her hands held her huge fleshy tits around him. They formed a warm, soft, tight cavern. As the head of his cock poked out at the top, she sucked on it until it disappeared again. "Can I come like this?"

"Sure. Anything you want. You name it," she said.

"I'm so horny I think it's going to happen soon."

"Good, do it. Shoot it whenever you want. Shoot your hot jizz, lover."

"I'm coming, I'm coming right now!"

He shuddered with a loud groan as he shot white, hot cum into her mouth and like the total pro she was, she swallowed every last bit of it without

spilling a single drop.

One month after he first made his deal with Doreen, Mark Preston smiled as he brought the boat through the main ship channel toward the landing. An extra six to seven hundred a week in his bank account was very satisfying. Getting laid three or four times a trip (and there were at least two trips a week) was satisfying, too.

And, most surprising of all, they were getting fish scores. Somehow, word of the working girls spread around the fishing crowd. They carried people he hadn't seen in years. True high-liners that worked, played and fished hard. Their scores in the papers set new records for the season.

Dropping the engines to an idle as he neared the oil pier, he saw the boat's owner, Jimmy Fiori, waiting on the landing. Mark had a sudden feeling of impending doom. He could feel Jimmy's eyes on him through the silver tinted glasses Fiori wore. Mark watched his boss' stocky frame, looking for any indication of mood. Nothing. Jimmy stood placidly, hands in his pockets, his Hawaiian shirt hanging loosely from his shoulders. But Mark could feel the eyes.

Stepping aboard as soon as the last

fisherman was off, Fiori asked, "Good trip, cap?"

"Yeah, the best yet."

"Let's go somewhere we can talk," said Fiori.

Mark led him to the wheelhouse, nervously closing the door behind them.

"I got a customer complaint about this boat," Fiori said.

"What's that?" asked Mark.

"They say you got a couple of hookers on board, working the load all the time you're out."

Mark looked out the window. "That's news to me."

"They say you're getting a cut of what the hookers make."

"We've had some good trips lately, good scores," Mark said.

"You know I don't like customer complaints. I don't like being held out on either," said Fiori.

"Best trips we've had in six years."

"Look, the same two broads have been booked on every trip for six weeks now and I want to know what's going on."

Mark sighed. "Come on. I'll introduce you."

As they walked into the cabin, Jenny was just pulling on her dress. Doreen sat on the closest bunk,

straightening a nylon.

"Girls, this is Jimmy Fiori. He owns the boat."

There was a tangible fear in the air. The fear of getting caught, the fear that goes with actually being caught.

It ended when Doreen stood and smiled.

"Well, Mr. Fiori. I've been wanting to meet you."

Fiori stared at the front of her sweater. Mark quietly left, closing the door behind him.

An hour later Mark was leaning on the main deck railing when Fiori came out.

"I want to see you in the office," Fiori said.

"Be with you in a minute, boss."

Mark went to his cabin and rewound the videos in the two machines. Burying one under some clothes in an overnight bag, he took the other with him.

Fiori pushed a check across the desk as Mark walked in.

"You're through, Preston."

Mark sat down, ignoring the check, and looked out the window.

"You know, I always liked this view. You can see both boats when they're in. You can see everything that goes on while we're alongside."

"Right. I set it up that way on purpose."

"Do you remember how many video cameras you put on board?"

Fiori looked at him. "Three. Why?"

"Take a look. How many do you see?"

"There's one on each corner of the bridge deck and..." His voice trailed off.

"Where do you think the other one is?"

"You sold it?" Fiori's voice was plaintive and he looked pale.

Mark set the video cassette on the desk between them.

"Guess again."

Fiori grabbed it.

"You can have that one. You know, those girls are smart. It's amazing how many of these things we sell a trip. People either want them or they want to make sure no one else sees them. I made an extra copy of this one. I thought your wife might like to see it."

There was a long silence. Fiori pulled the check back across the desk and tore it up.

"You better get some extra bait this next trip. Maybe we can get that score up even higher," Fiori said. **G**

"I've had the headache for about two days.
The shortness of breath just started."

"I can't arrest her for indecent exposure...she looks pretty decent to me."

DEBBIE:
A
LEG
UP

We were last treated to the tempting sight of Debbie Jordan's 43-25-36 figure and all-natural pair of bulbous knockers in the May '92 issue when she was our centerfold. Now she's back, and in our opinion, looking better than ever. Debbie is just one of those models who seems to improve with each subsequent pictorial, so those of you who enjoyed her last time are in for a real treat.

At 5'6" and 117 perfectly proportioned pounds, Debbie possesses the kind of slim-'n'-stacked body that drive men wild. Even better is her willingness to display her fabulous figure in a variety of titillating positions.

These two pages afford us excellent views of Debbie's mammaries from different angles. We especially like the shots in the upper right and upper left corners in which we see how Debbie's D-cups pancake when she's flat on her back. This is a true indicator that the breastflesh in question is of the all-natural variety.

Candidly Yours

These amateur honeys really know how to show off their hefty hangers and have a good time!

Melody Morgan measures 44-32-44, is 5'2" and weighs 160 pounds. Don't be fooled by this Fort Lauderdale resident's soft appearance—Melody is a security guard who enjoys using guns. She adds new meaning to the word "busted."

Marge may be an amateur, but she shows that she really knows how to handle her wonderful whoppers. Marge measures an impressive 41-35-46, weighs 240 pounds and stands 5'9".

Koala, who measures 36-25-34, is from the land down under and says that she prefers American men because they usually have larger cocks and know how to use them to satisfy women.

Stephanie is a 21-year-old California girl who measures 42-29-39. If you would like to see your lady in GENT, send a full front, rear and side nude photo to GENT, 2600 Douglas Rd., Suite 600, Coral Gables, FL 33134. We'll pay you \$75-\$150 if we publish your photographs, so send them in right away!

If your taste in D-cuppers runs toward the slim-'n'-stacked variety, beautiful Bethany Bustin is sure to satisfy you.

BUSTIN OUT!

We first introduced you to Bethany Bustin in Nov. '91, so we feel her re-turn engagement was long overdue. An exotic dancer of considerable re-nown, Bethany (who's publicized as measuring 55-22-32) is more than just a pretty face and an impressive pair of hooters. She owns a lingerie shop in Memphis, so it's not surprising that her choice of bra and panties in this lay-out is so alluring.

Bethany has a sunny outlook on life and this attitude comes through in her modeling. Her gleaming smile lets us know she enjoys displaying the inner recesses of her femininity for our pleasure. Bethany also conveys a wholesomeness rarely seen in the adult entertainment world. She comes across as playful and innocent, yet capable of some utterly tantalizing sexual antics. We find such a combination to be totally irresistible.

For men who lust over feminine tan lines, Bethany's luscious 5'2", 105-pound figure sports some of the best ones you can hope to see. The shots below and to the far right show us exactly how Bethany's skimpy bikini fit when she was bronzing herself. And if you look closely, you'll see that at some point Bethany must have taken her top off because there's a slight pinkish tinge coloring the upper regions of her glorious breastflesh. Oh, what we wouldn't give to have been present when the sun was doing its thing on Bethany!

GIRLS AROUND THE WORLD #15:

This 75-minute vid features an ideal combination of new GENT stars such as our covergirl and centerfold **Letha Weapons** (above) and **Lisa Gazombas** (who you'll be seeing real soon), and long-time GENT favorites like **Nikki Knockers**, **Porsha** and **Jeannine** (pp. 18-23). Letha makes a magical video debut as a horny genie who uses her supreme sexual powers to satisfy herself. Next, Porsha shows us that she's the most sensual banana eater in the world before concluding her scene with an orgasm of epic proportions. Lisa follows by stripping and donning a tiny bikini before oiling every inch of her fantastic body. Next up is Jeannine who finds herself alone and horny, so she gives herself – and us – a thrill by doing something about it. Finally, Nikki explores every intimate nook and cranny of herself in a bathtub scene so hot, you may need several cold showers (or self-induced orgasms) before you cool off. **\$69.95**

Library Presents

Or take your pick from these videos –
all starring models you've seen in GENT

PLUMPER THERAPY: This 75-min. video features **Cathy** (above and GENT/Nov. '92) in a dual role as a wife whose husband is mysteriously impotent...and the therapist who helps him realize that his problem is all in his head! **Susie Bard** (a.k.a. Georgina) and **Nilli Willis** lend their talents to the case and provide their own special treatment. **\$69.95**

GIRLS AROUND THE WORLD #14: This 75-minute video features a bevy of buxom babes in R-rated vignettes and one super XXX finale. Ireland's irresistible **Cathy** leads off with a steamy strip show and GENT supertitler **Tiffany Towers** (above) provides the climactic finish with a hardcore video debut that is sure to leave you drained! **\$69.95**

INTRODUCING ZENA: Seeing is believing when you meet the amazing **Zena Fulsom**. This fantastically endowed English girl (above) was brought to our attention by her boyfriend who told us she'd be willing to pose...if the price was right. We took one look at her and emptied out our bank account. The result is Part 1 of two 30-min. tapes. **\$69.95**

GENT'S HARDCORE PLUMBERS: **Roberta Smallwood**, **Melanie Anton** and **Fawn Miller** (above) show why big is sometimes better. Not only will you view these girls in all their naked glory, but all three performed their first-ever *hardcore* scene just for our camera. This video is rated XXX and has a running time of 80 minutes. **\$69.95**

PLUMBERS OF SUNDANCE SPA: In this arousing 90-min. sequel to *Hardcore Plumbers*, popular fatties **Roberta Smallwood**, **Melanie Anton** (above) and two robust new friends – **Tanya** and **Liz** – check into a health spa. The girls don't train much, but they do work up quite a sweat as they engage in some hot *sexual* exercises. **\$69.95**

THE DUKE OF KNOCKERS: This slick, XXX-rated, 75-min. sizzler was named best adult video by the Adult Video News recently and you'll understand why when you see some of GENT's D-cup queens compete to become the next Duchess of Knockers. **Justa Dream**, **Kayla Kleevage**, and **Nilli Willis** (above) and **LeeAnn Lovelace** star. **\$69.95**
